

Heath Garrison

Electrical Safety Consultant

Heath has over 25 years' experience in the field of electrical safety. He has been the Electrical Safety Program Manager at National Renewable Energy Laboratory (NREL) since 2015 and has been the Authority Having Jurisdiction over NFPA 70E compliance at NREL since 2013.

Prior to joining NREL, Heath worked for B&W Pantex as a master electrician and then as an electrical safety inspector. He worked at McCracken Electric as an IBEW apprentice and journeyman electrician. He holds a master electrician license in CO and TX, while also serving on various NFPA technical committees.
