

Kenneth Sellars

Partner, Electrical Safety Consultant

Before becoming a partner at e-Hazard Management, LLC., Ken worked at Alcoa Warrick Operations. He served as the electrical construction project coordinator. Ken obtained his electrical training in the U.S. Navy, where he served on a nuclear ballistic submarine.

Since Ken joined e-Hazard in 2006 as a trainer for Alcoa, he has trained thousands in electrical safety across the United States and internationally. He works extensively with companies to revamp electrical safety procedures and auditing processes, and assists companies with training development, including electrical qualification procedures.
