

## Rene' Graves

### Electrical Safety Consultant, CSP

Rene' has over thirty years of environment, safety, and health experience. She started out as a Preventive Maintenance Mechanic and worked her way up to senior member of the Group Technical Staff at Texas Instruments. Rene' is a certified safety professional and holds a license as a journeyman electrician in the Texas.

She is an avid trainer, earning certification for Emergency Medical Technician-Paramedic, Rope Rescue Technician, Confined Space Rescue Technician, Fire Service Instructor, and Senior Specialist Instructor with Texas A&M Engineering Extension Services. Rene' holds two patents for safety control systems on high voltage applications for the laboratory setting.

#### Career Highlights

**e-Hazard** **2021-Present**  
*Electrical Safety Consultant*

**Texas Instruments, Inc.** **1987-2021**  
*Various Positions*

- Held various positions such as Preventative Mechanic, Journeyman Electrician, Engineering Technician, Safety Technician, Safety Professional, Senior Safety Professional, ESH Technical Member, Senior Member Technical Staff
- Presented many course workshop sessions at ASSE and IEEE workshops
- Awarded Senior Member Group Technical Staff (2020) and Member Group Technical Staff (2008)
- Experienced speaker and professional collaborator. Conducted presentations and expert panels at professional conferences, including: Industrial Electrical and Electronic Engineers (IEEE), Industrial Applications Society (IAS), Electrical Safety Workshop (ESW), American Society of Safety Engineers (ASSE), and Noria's Reliable Plant Conference

#### Professional Presentations

- Graves, L. R., Floyd, L. & Doherty, M. (2011 - 2016, 2019). *Electrical Safety Management*. Workshop Session presented at the IEEE IAS Electrical Safety Workshop, Toronto, Ontario, Daytona Beach, FL, Dallas, TX, San Diego, CA, Louisville KY, Jacksonville, FL

#### Snapshot

##### Focus

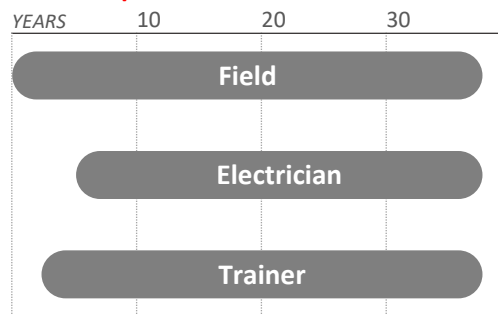

##### TRAINING

- Low Voltage
- High Voltage
- Electric Vehicle (EV)
- Lockout/Tagout (LOTO)
- Customized

##### SERVICES

- Electrical Safety Programs
- Audits

##### Career Experience Timeline

##### Certifications, Licenses & Memberships

- Licensed Journeyman Electrician, Texas**
- American Society of Safety Engineers (ASSE)**, Professional Member
- Institute of Electrical and Electronics Engineering (IEEE)**, Senior Professional Member
- Board of Certified Safety Professionals**, Certified Safety Professional
- Texas A&M Engineering Extension Services (TEEX)**, Senior Specialist Instructor

#### Education

- Murray State University, Murray, KY** B.S., *Occupational Safety and Health*
- Lamar University, Beaumont, TX.** A.S., *Industrial Electronic Technology*  
 A.S., *Refrigeration Technology*
